

2025 DIRECT SCHOOL ADMISSION-SEC (DSA-SEC) FOR 2026 YEAR 1 INTAKE WRITE-UP, TIMELINE AND TALENT SELECTION TRIALS

The Direct School Admission-Sec (DSA-Sec) provides students with the opportunity to seek admission to a secondary school, based on a diverse range of specific academic and non-academic achievements and talents that they can demonstrate beyond the Primary School Leaving Examination (PSLE). Participation in DSA-Sec is optional. Primary 6 students who do not want to participate in the DSA-Sec will continue to seek admission based on their PSLE results through the MOE Secondary 1 (S1) Posting.

APPLICATION PROCESS

2025 Direct School Admission-Secondary (DSA-Sec) for admission to Secondary 1 in 2026 **will commence from 7 May 2025, 11am to 3 June 2025, 3pm**. Boys who wish to participate in Anglo-Chinese School (Independent)'s DSA-Sec exercise are required to apply through the online MOE DSA-Sec Portal. For more details, please refer to MOE website – <https://www.moe.gov.sg/dsa-sec>.

Applicants can opt for Singapore-Cambridge Secondary Education Certificate (SEC) Programme, Integrated Programme (IP) or No Preference (i.e., to be considered for IP and SEC Programme).

- **Singapore-Cambridge Secondary Education Certificate (SEC) Programme** is a four-year course which leads to the Singapore-Cambridge Secondary Education Certificate.
- **Integrated Programme (IP)** is a six-year through-train course which leads to the International Baccalaureate (IB) Diploma.

Students may apply through DSA-Sec to Anglo-Chinese School (Independent) for the listed specific talent areas. The final selection is dependent on various factors such as the number and quality of applications received, the school's talent requirements, the availability of suitable candidates, and vacancies. There is no guarantee that at least one offer will be granted for every listed talent area as selection is dependent on these factors.

- b) Depending on vacancy, students admitted into the Secondary Education Certificate (SEC) Programme via the DSA-Sec may be offered the Integrated Programme (IP) if the student's PSLE score meets our PSLE cut-off score for IP after the release of the MOE S1 Posting results for Secondary Schools in December. The IP PSLE cut-off score based on 2024 PSLE students posted to our school for 2025 Secondary 1 IP was 6.
- c) There are two other entry points into the ACS (Independent) Integrated Programme - at Year 3 and Year 5 (see diagram above). Details on Year 3 and 5 admissions will be released the year prior to the intake year.
2. **Students successfully allocated a school via DSA-Sec are NOT allowed to participate in the MOE Secondary 1 (S1) Posting as they are expected to honour the commitment made to the DSA-Sec school when they exercise their Confirmed Offer (CO) or Waitlist offer (WL). Students are also NOT allowed to transfer to another school after the release of the PSLE results. They are expected to honour the commitment to the posted DSA schools for the duration of the programme they are admitted to (4 years for the Secondary Education Certificate Programme or 6 years for the Integrated Programme) and participate in activities related to the talent they are selected for from Year 1 to 4. If they are not able to fulfil the DSA commitment without valid reasons, they may be required to transfer out to another school with vacancies by MOE. Hence, please consider carefully before you accept an offer to be admitted to a school through DSA-Sec.**
3. **Parents and students are encouraged to choose schools wisely based on the student's aptitudes and strengths, bearing in mind the schools' academic and non-academic requirements, and the programmes available to develop the child's area of talent. In addition, students in MOE mainstream primary schools must sit for the PSLE and obtain a PSLE score of 22 points or less.**
