Dear Parents / Guardians

2026 TERM 1 CIRCULAR FOR Y5 PARENTS

Greetings from ACS (Independent)!

Together with my colleagues, we would like to extend a warm welcome to all our students, including those who just joined the ACS (Independent) family in 2026.

It is a deep privilege for me to serve as Principal of this school with such a rich heritage, strong Christian values, and a deep commitment to holistic education. For close to 140 years, ACS schools have sought to nurture young people of character, conviction, and compassion who are prepared not only for success, but for significance.

As I begin this journey in 2026 alongside your children, we commit as a school to continue in nurturing our students to grow as **Catalysts for Change, For God and Humanity**, ready to serve and lead in an increasingly complex world. I look forward to partnering closely with you as we journey together, confident that God will be our anchor and help.

Please find below key information and arrangements for Term 1 for your partnership and prayer.

THEME VERSE & AC140

1. As we celebrate 140 years of God's goodness to the Anglo-Chinese Schools, we share a common theme verse for 2026. The verse is taken from Matthew 5:16 and serves as a timeless reminder for ACSians to remain Anchored in our identity, Connected in service and Steadfast in purpose.

"In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

ACS(I), together with students and staff from the ACS school family, will be celebrating our **140th ACS Founder's Day** with an all-ACS Combined Celebrations and Thanksgiving Service at the National Stadium on 26 February 2026. Details of the programme will be sent closer to the date.

NEW DROP-OFF OPTION AT ACS(I) GATE 3

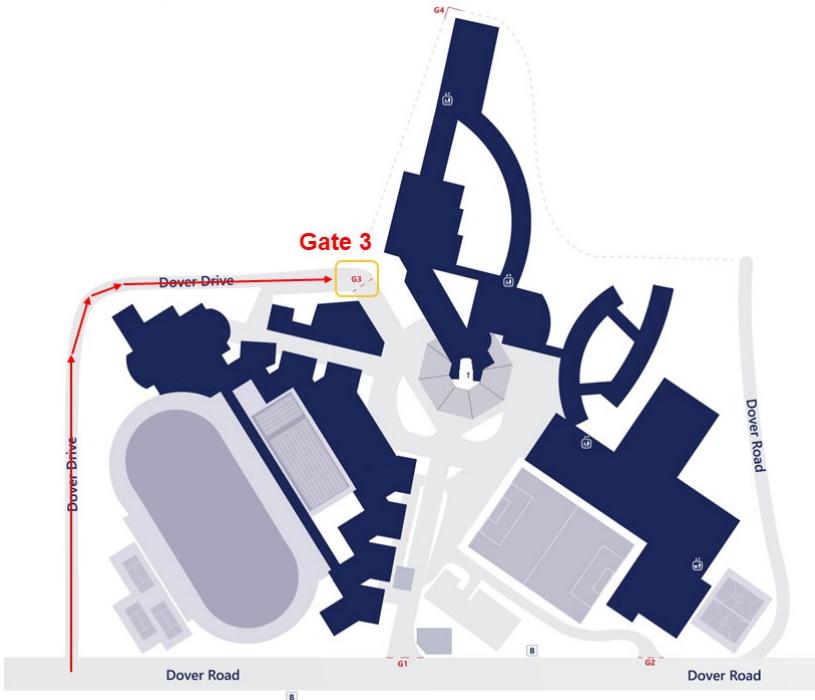

21. We are pleased to share with you that the Dover Drive roundabout outside ACS(I) Gate 3 has been completed.

Anglo-Chinese School (Independent)

A Methodist Institution
(Founded 1886)

22. The Gate 3 roundabout provides an excellent alternative drop-off point for all students. This location is particularly convenient for parents dropping off students heading to the Junior Block or Old Block, as it offers a faster and closer route to their classrooms compared to the main gate entrance.

23. As Dover Drive is not used by other schools, the road is effectively exclusive for ACS(I) traffic. Parents will not need to contend with vehicles ferrying students to neighbouring schools along Dover Road, resulting in a smoother and less congested drop-off experience. We would like to strongly encourage all parents to consider this drop-off point as a viable option.

24. Additional enhancements to this route are forthcoming, including the construction of a sheltered walkway along the path leading from the Gate 3 entrance to the school blocks.

TRAFFIC ADVISORY

25. To ensure the continued safety of our school community, enhanced security measures were rolled out in phases since 2024. Please refer to <https://www.acsindep.moe.edu.sg/traffic-matters/> for updated details on parking, security, and access information.

26. Please also refer to <https://www.acsindep.moe.edu.sg/for-parents/traffic-advisory/> for the advisory on traffic and safety matters.

27. **Pick-up / Drop-off Points:** Parent drivers are encouraged to use the appropriate pick-up / drop-off points within the school or alternatives listed under [point 9 of the Traffic Matters webpage](#).

- To ensure a smooth traffic experience, parents are encouraged to drop off their child / ward at the roundabout's designated area, located near the end of the roundabout.
- As there are limited parking lots within the school, please be advised to make timely arrivals for pick up, especially during school dismissal, to minimise wait time and inconveniences.
- Pick-up / drop-off activity at the bus stops must be immediate. Any vehicles found waiting at the bus stops are subject to enforcement measures by LTA officers.

SCHOOL FEES & INSURANCE

31. The **GIRO collection of fees** is done quarterly, with the first collection date on 20 March 2026. Parents / Guardians are advised to ensure that sufficient funds are available in their accounts on the due dates. When deduction by GIRO is unsuccessful, an administrative charge of \$20 will be levied, and a waiver of this charge is not allowed. For information on school fees and financial assistance, please refer to the school website (<https://www.acsindep.moe.edu.sg/about-acs-independent/fee/>). For school fees and GIRO deduction related enquiries, you may approach Finance Department Officer, Mdm Samantha Khoo (samanthakhoogh@acsindep.edu.sg).

32. Admission to our school is merit-based and no Singaporean admitted to ACS(I) will be deprived of educational opportunities on account of his / her financial situation. Our school has various financial assistance programmes, including the **MOE Independent Schools Bursary (ISB)** which provides up to 100% school fees subsidy for Singapore citizens. Students who wish to apply for the MOE ISB may submit their applications online at <https://go.gov.sg/moe-efasis>. You may also find more information at <https://www.acsindep.moe.edu.sg/about-acs-independent/fee/financial-assistance/>. Students / Parents who require financial assistance with school fees may approach our Deputy Principal, Mr Patrick Soo (patrick@acsindep.edu.sg) or School Secretary, Ms Eunice Seah (Tel: 6870 0314).

33. **[Compulsory] Group Personal Accident (GPA) Insurance:** The safety and well-being of every child is of utmost importance to us. Since January 2023, all students are covered under the GPA Insurance provided by Income Insurance Limited. More details of this insurance plan, including the policy coverage and cost, will be provided in Term 1.

34. For parents who require enhanced medical expenses / benefits beyond what is provided by the GPA insurance for their child, they are advised to purchase additional insurance on their own. This may be applicable for those who are involved in sports or other CCAs with physical activities.

35. **Revised CCA co-payment fees:** As of 2026, the school will collect **\$60 for every CCA** that a student is a member of each year. In general, with this revision:

- Students will only pay for CCA co-payment fees, not for other CCA-related expenses
- Parents will make payment directly to the school; CCA teachers will not collect co-payment fees from students
- Students who are currently on the school's financial assistance schemes are exempt from this payment
- Parents will be notified of the payment amount and procedures by late-May 2026.
