2   Scholarships details and application process can be found in the MOE website: https://go.gov.sg/MOE-Local-Scholarships. To apply for the scholarship, a valid SingPass account with 2-Factor Authentication (2FA) is required to access the application system. Details on the application for a SingPass can be found on the SingPass website. As the set up for SingPass Myinfo may not be immediate, students are strongly encouraged to complete their SingPass application early to avoid encountering technical issues close to application closing. Students can log in to the application system through Singpass and register as a new user to create an account using their personal valid email account. After an account has been successfully created, they may log in using their Singpass to access the application form. **There will be strictly no extension to the online application closing date, and no offline applications will be accepted after 25 Feb 2026 (Wednesday)**. Hence, please be reminded of the application period to ensure that the deadline is not missed.

3   Students may download the user guide (available on the website and attached a copy here – titled "LS Application User Guide") and follow the step-by-step instructions when submitting their application.
